HEAVEN ON EARTH

THE PERRY MACFARLANE
ADOPTION CENTER & SANCTUARY

I had an amazing experience at Heaven on Earth and it really shows in the quality of care these cats receive. You can tell that the people really loved on them and treated them as their own.

Heaven on Earth is a special place -- When you adopt from Heaven on Earth it is like adopting from the shelter, because they go back and save another life to take the space of the cat you adopted. I admire the staff and volunteers so much for the hard physical and emotional work they do and recommend Heaven on Earth to anyone looking to find the perfect addition to their family while saving a life at the same time.

- Karen P., Adopter

My girlfriend and I were looking for a puppy, but PetSmart was having cat adoptions instead, and we fell in love with two sister kittens. We drove straight to Perry's Place and were impressed by the facility. I was expecting a maze of dirty cages, but saw large clean rooms with lots of windows and sunlight for most of the cats. I was never a cat lover until the day I ended up at Perry's Place, now adopting from here is the best decision I've made in years!
