A Beautiful Update

Nosey was adopted from Heaven on Earth two years ago by one of our amazing volunteers, Becky H.

"Thank you for the 2 year anniversary wishes! Nosey has been just a delightful addition to our family. She is such a sweet girl and a real daddy's girl. They love each other. We just love her so much, and so happy she's here."

The kittens are feeling the love

We want to give a huge shout-out to everyone who donated for our Kitten Shower! Thank you!

You stepped up and met our fundraising goals for BOTH our New Incubator and Spay & Neuter Funds. Amazing!

And, don't forget all the food and supplies that you donated from our Amazon Wish List. The kittens' bellies and hearts are full thanks to you!

Together you raised over \$10,000 in donations and supplies to help the sweet kittens.

Meet our new Clinic Manager

“

"I get to go to work with my coworkers which actually feel more like my family. I'm so proud of all that we've accomplished in the past year and a quarter. I'm excited about my new leadership role and the advancements we will make in the future together."

Jami
Clinic Manager

Welcome new clinic manager, Jami Goff!

Jami has been with Heaven on Earth in her capacity as a Registered Veterinary Technician since December 2019.

Not only does she come to the position with a wealth of veterinary knowledge and hands-on expertise, but she also has prior experience in clinic management. Being a current member of the Heaven on Earth team makes Jami an ideal fit!

We're also happy to announce Leandra Lawrence as our new Director of Operations.

Having been with Heaven on Earth for almost 12 years, she brings a strong combination of hands-on veterinary experience with strong leadership and management skills. In many ways, she has been the backbone of Heaven on Earth for many years.

STAFF SPOTLIGHT

Congratulations to both Leandra and Jami on their new positions!

Can you open your heart and your home to sweet Clarice?

Clarice has been in a wonderful foster home for a year but her foster mom is moving out of the country and needs your help.

"Clarice is a very sweet kitty. She would be a wonderful companion for someone who has had cats before and wants a sweet, calm, and mostly undemanding companion."

She is great with the litter box, never had an accident, and uses a cardboard scratching board and not the furniture.

We've developed a very sweet bedtime routine.

I always put out wet food at the end of the day. When I come back to the living room to do the final lights out, Clarice jumps back up on the chair where we sit so I can give her good night kisses. It's the sweetest thing."
