Your gifts in action

It's the most wonderful time of the year...

... and you, our supporters, are making sure of that! Thanks to YOU, our generous donors, we raised over \$25,000 for Giving Tuesday.

Together, you and others who care like you, helped us raise more vital funds to rescue more cats and kittens in Los Angeles. Your outpouring of support inspires us to save even more lives!

Thanks to you, we can now feed more underaged kittens milk replacement, provide momma cats and kittens with a warm safe place, give sick and injured cats life-saving treatments, and help shy cats to trust again.

Take a look at Saffie, who had an eye injury and is doing much better now, thanks to you!

A very special thank you to the Joan Traver Walsh Foundation, for matching Giving Tuesday donations up to \$10,000.
