Comic Cat Relief: 20 Years of Purrfection

A night of laughs, libations, and life-saving.

Join us September 17th for:

- Comedic performances
- Live & silent auction
- Celebrity shout outs
- Signature cocktail tutorial
- Hilarious cat antics & more

Tickets are FREE but donations are welcome. All event proceeds go directly to helping save more cats and kittens in Los Angeles.

This is our fall fundraising event. It looks a little different, but you don't have to dress up, drive in traffic, or even be in LA! 🤘🌴

You really can help save cats and kittens from the comfort of your own home.

Don't forget to RSVP at heavenlypets.org

SpayShip is back!

Our SpayShip Program is back at full force, thanks to a generous grant from The Pet Care Foundation!

We launched a limited edition t-shirt to celebrate which can be purchased via our website.

HEAVEN ON EARTH BY THE NUMBERS

SO FAR IN 2020...

378

Cats ADOPTED
into loving homes

330

Cats place into
FOSTER

1,427

Cats and dogs
SPAYED/NEUTERED at the
Heaven on Earth Animal
Clinic

2,053

Pounds of cat food
DONATED

**THANK YOU FOR MAKING
THIS POSSIBLE!**

Getting Back Into the Groove...

We recently reinstated our mobile adoptions program at the PetSmart Santa Clarita and we have already sent the first two kitties home!

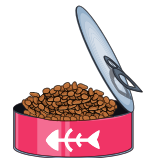

Congratulations to Zack and Darius for finding their new families!

Hungry, Hungry, Kitties

We're running out of adult cat food so we've added new food items to our Amazon Wishlist.

Socially distant drop-off donations at Perry's Place can be placed on the table outside our main door.

Operation Blankets of Love... & Partnership

During **The Great Cat Carrier Shortage of 2020** (not actually a real thing but it feels like it), we reached out to Operation Blankets of Love for help.

This amazing organization not only donated carriers but blankets and food, to Heaven on Earth so that we can continue with our transports.

Partnership is so
important in the world
of animal rescue, and
we are so thankful for
the support **Operation
Blankets of Love** has
given us over the years
