Your gifts in action

We've gone GLOBAL!

Heaven on Earth has taken our mission to transform the lives of homeless cats through rescue, sanctuary, and new beginnings to an international level.

We've partnered with **FOUR PAWS International** to raise awareness of Southeast Asia's horrific dog and cat meat trade.

Eight lucky cats traveled all the way from Vietnam to Los Angeles.

**ADOPT
me!**

Now, Binh gets to spend her days lounging in super-soft beds with all the American catnip she wants.

George, Lion, Tiger, Cody, Binch, Talulah, Mittens (above), and Cyndi all made the epic journey to freedom, taking part in FOUR PAWS' **first-ever** cat transport to the US.

Every year in Vietnam, FOUR PAWS estimates that more than 6 million dogs and cats are brutally stolen, trafficked, and killed for their meat, many of whom are stolen pets. Millions of cats suffer in silence in the trade that involves unimaginable extreme cruelty and suffering.

Over the past few weeks, **more than 20,000 people** have signed the petition to help more cats and dogs go from slaughterhouse to safety. Amazing!

From Cage to California - Binh was lucky enough to escape the trade thanks to your support.

Meet Maria, Veterinary Assistant at the Heaven on Earth Clinic!

As a veterinary assistant, Maria helps to prepare animals for surgery and cares for them during recovery.

In her spare time, she volunteers for the California Wildlife Center, a nonprofit organization

that rescues, rehabilitates and releases wildlife in need of medical care. Recently, she took part in the release of a couple of the Northern Elephant Seal pups that she helped rehabilitate.

Maria enjoys going to the beach, bird watching, wildlife, subscription boxes, and taking road trips. We are so happy to have her on our team!

Blankets, Love, & Gratitude

The cats of Perry's Place extend their purrs of thanks to everyone who recently donated in-kind items. We're grateful for the food, blankets, litter, boxes, toys, and all sorts of fun goodies from all of you
