

Your support helped to save Pickles and find him his new forever home. Thank you!

From his adopter...

"Pickles is the best thing that has happened to me in a while, and I am so glad that we found each other - it was meant to be. He just wanted a loving home, and I wanted someone to love, and a buddy for life. I am grateful for Heaven on Earth for providing me with the perfect fit."

Irina Di Vincenzo

Life-Saving Programs Coordinator

Welcome, Irina! A few months ago, she made a drastic change and left her career in fashion to follow her passion for helping animals. We're thrilled she's joined us.

Irina grew up in Italy and started rescuing animals at a young age when she helped save a dog that was hit by a car. She then began volunteering at shelters and has been helping animals ever since.

"I love to be able to be actively involved in saving so many lives every day. My favorite thing is seeing scared and undersocialized kitties blossom into loving and happy ones, and getting them ready for adoption to find their perfect match."

When Irina is not snuggling spicy cats in purrritos at Perry's Place, she spends time at home with her own two cats, Darla and George, and usually has a foster cat (or two).

Twice as nice!
