

Your gifts in action

Your Gifts Helped Goldie

16-year-old Goldie came to Perry's place with a mass over her left eye.

Your support enabled us to remove the mass, which came back positive for cancer. While this type of cancer does not normally metastasize, it can be locally aggressive. We were lucky to be able to treat it in time.

Thanks to you, Goldie has recovered well and is getting used to her new digs in Shadow's Haven.
