# NEWS & UPDATES

*Your gifts in action*

## Home Sweet Home

If you've been to Perry's Place, then you probably know Sugar.

This sassy calico came to us as a kitten 8 years ago and had been at Perry's Place ever since. Well, until recently, that is. Because Sugar was adopted!

Cats like Sugar can have a hard time finding homes because they need a lot of space and patience. Luckily, Sugar's new adopter understands her quirks and need for a longer adjustment period.

Your support helps us save cats like Sugar, and provide a safe space for them while they wait to find their furever home... even after 8 years!

Thank you for helping Sugar find her happy ending.

## Thank You for Helping The Kittens!

The kittens can't thank you enough for your help with their Kitten Shower! You sent over \$1,800 worth of kittens supplies AND donated over \$2,000 to buy even more!

Your gifts enable us to provide a second chance for more tiny kittens.

Thank you for making some adorable kittens very happy and full of food.
