Carver in the Shelter

This past July, Carver was brought to a local county shelter as a stray. He was sick, thin, covered in fleas and scabies, and FIV+.

Even though he was in bad shape, Carver was clearly a sweet cat.

His medical notes from the shelter say how "very friendly and social" Carver was and "hard to examine because he keeps wanting to leave his cage or get off the scale" to say hello.

Who could say no to a description like that? So Heaven on Earth brought him from the shelter to Perry's Place, where he could get the help he needs.

Carver relaxing in Room 10

In our Isolation Room, Carver was vaccinated, and given medication to treat his scabies and nasal congestion.

He started looking and feeling much better. And still tried to get the staff's attention for snuggles, of course! After his scabies was cleared, Carver was neutered and moved to one of our free roam rooms, where he now awaits his furever family.

This sleepy-eyed gentleman loves attention and would be a great companion for any household.

Your donations enable us to help cats like Carver. Medical treatment can be extremely expensive, and we are so grateful to have all of you there for the cats. Thank you for being their heroes!

A Fundraiser & Adoption Day
To Save Animals' Lives

Race for the Rescues is back!

After two years of virtual events, Race for the Rescues is back in person, and we couldn't be happier - new venue, new month, the same passion for saving cats. We're giving two paws up to Race for the Rescues 2022 at Griffith Park on November 19, and we'd love for you to join our team!

Adoption Volunteers Needed!

Do you love cats? Are you also a people person? Do you want to help bring cats and people together in adoption bliss? If this sounds like you, then we have the volunteer opportunity for you!

Heaven on Earth is looking for adoption event volunteers to help match cats with their forever homes. Events are typically held on the weekends at Perrys' Place and our PetSmart locations in Santa Clarita and Tujunga.
