## Community Pet Program

The Community Pet Program is off to a great start! Our Pet Pantry is full and has been providing food and other pet supplies to our community. We also had our first wellness day at the Heaven on Earth Clinic!

Heaven on Earth is dedicated to helping our community stay with their pets. The newly launched Community Pet Program aims to keep families together by providing much-needed support, supplies, and wellness help.

*A few of the adorable faces we helped at the clinic thanks to you!*

## Congratulations SpayShip!

This month, our SpayShip program hit a huge milestone: 10,000 cats and kittens spayed & neutered.

We are so grateful to our friends at FixNation and to all of you - we couldn't have reached this awesome number without your support. Thank you!

## Clear the Shelters

Each summer, shelters feel an added stress on their resources from increases in puppy and kitten intakes due to spring litters.

NBC4 and Telemundo 52's annual Clear The Shelters™ adoption campaign has returned for its 8th year to help unburden our crowded shelters and get more pets into homes.

Heaven on Earth is proud to be part of this great initiative once again. To celebrate, we will be hosting Clear the Shelters adoption events this weekend:
